CLASSIFICATION DEFINITIONS:

Incidents Affecting Quality of Life

Quality of Life incidents involve unlawful acts that are generally victimless in nature and do not pose a direct threat to an individual but have an impact as to the perception of safety, fear of crime and may cause disruptions to University business. They include bomb threats, disorderly behaviour, cause disturbance, smoking complaints, damage, emergency medicals, fire alarms, suspicious vehicles and person, trespassing, demonstrations, and hate incidents.

Property Crimes

Property Crimes involve unlawful acts with respect to property but do not involve the use or threat of violence against a person. They included all break and enter, theft, arson, fraud and mischief categories.

Crimes Against Persons

Crimes Against Persons incidents involve the application and/or threat of force to a person and include all sexual assaults, non-sexual assaults, harassment, homicide, abduction, indecent acts, intimidation, robbery, and uttering threats.

Other Incidents

Other incidents include information and unfounded occurrences, hazardous substances, mental health act, and motor vehicle collisions, among others.
