SELECTED VIOLENT CRIMES	2013-2014 1st Quarter	2014-2015 1st Quarter	% change
Non-Sexual Assault	3	6	100% *
Sexual Assault	1	1	0%
Robbery	0	3	N/C **

The following incident categories have been selected as a measure of violent crimes that have been reported to York University Security Services:

Non-Sexual Assault

The number of Non-Sexual Assault incidents reported in the 1st quarter of 2014-2015 increased by 100% to 6 incidents compared to 3 incidents reported in the 1st quarter of 2013-2014*

Sexual Assault

The number of Sexual Assault incidents reported in the 1st quarter of 2014-2015 remained unchanged with 1 incident compared to 1 incident reported in the 1st quarter of 2013-2014

Robbery

The number of Robbery incidents reported in the 1st quarter of 2014-2015 increased to 3 incidents compared to zero (0) incidents reported in the 1st quarter of 2013-2014**

* Small number changes equal significant percentage change increases/decreases which could be misleading therefore the absolute number change should be considered.

**Percentage change is not calculable (N/C) when comparing zero (0) incidents in the previous time period.

CLASSIFICATION DEFINITIONS:

PROPERTY CRIMES:

Property Crimes involve unlawful acts with respect to property but do not involve the use or threat of violence against a person. These include: actual and attempted break and enter, theft, mischief, arson, and fraud categories.

CRIMES AGAINST PERSONS:

Crimes Against Persons involve the application and/or threat of violence to a person. These include: sexual assaults, non-sexual assaults, harassment, homicide, abduction, indecent acts, intimidation, robbery, and uttering threats categories.

INCIDENTS AFFECTING QUALITY OF LIFE:

Incidents Affecting Quality of Life involve unlawful acts that do not pose a direct threat to an individual but have an impact as to the perception of safety and fear of crime. These include: bomb threats, disorderly behaviour, cause disturbance, smoking complaints, damage, emergency medical, fire alarms, suspicious vehicles and persons, trespass, occupations & demonstrations, and hate incident categories.

OTHER INCIDENTS:

Other Incidents include information, unfounded occurrences, hazardous substances, missing persons, and motor vehicle collision categories, among others.
