\* Small number changes equal significant percentage change increases/decreases which could be misleading

**CLASSIFICATION DEFINITIONS:**

**Property Crimes:**

Property Crimes involve unlawful acts with respect to property but do not involve the use or threat of violence against a person. These include: actual and attempted break and enter, theft, mischief, arson, and fraud categories.

**Crimes Against Persons:**

Crimes Against Persons involve the application and/or threat of violence to a person. These include: sexual assaults, non-sexual assaults, harassment, homicide, abduction, indecent acts, intimidation, robbery, and uttering threats categories.

**Incidents Affecting Quality of Life:**

Incidents Affecting Quality of Life involve unlawful acts that do not pose a direct threat to an individual but have an impact as to the perception of safety and fear of crime. These include: bomb threats, disorderly behaviour, cause disturbance, smoking complaints, damage, emergency medical, fire alarms, suspicious vehicles and persons, trespass, occupations & demonstrations, and hate incident categories.

**Other Incidents:**

Other Incidents include information, unfounded occurrences, hazardous substances, missing persons, and motor vehicle collision categories, among others.
